WE MAY NEVER PASS THIS WAY AGAIN

Life—so they say
Is but a game and they let it slip away.
Love—like the Autumn sun
Should be dying but it's only just begun.
Like the twilight in the road up ahead
They don't see just where we're goin'.
And all the secrets in the universe
Whisper in our ears
And all the years will come and go
And take us up, always up.

We may never pass this way again.
We may never pass this way again.
We may never pass this way again.

Dreams—so they say
Are for fools and they let them drift away.
Peace—like the silent dove
Should be flyin' but it's only just begun.
Like Columbus in the olden days
We must gather all our courage.
Sail our ships out on the open sea
Cast away our fears
And all the years will come and go
And take us up, always up.

We may never pass this way again.
We may never pass this way again.
We may never pass this way again.

YEA

YEA activities for the 1973-74 school year began in August when Jack Fox, Sherry Bierly, Marilou Masters, Donna Swetter and Mrs. Hopkins attended a PYEA leadership conference at Wilson College in Chambersburg. When school began many students were initiated into the YEA to make the membership reach fifty. YEA students helped the guidance department in their tutoring program and some members were elementary tutors for the school year.

With the French Club, the YEA toured Millersville College. They had a session with the Dean of Admissions, observed a French Lab and the elementary open school.

In early spring the YEA hosted the Susquehanna County schools for the second annual area YEA convention. About 100 members from Blue Ridge, Montrose, Elk Lake and Mt. View participated. The main speaker was Miss Judith Bentz, Assistant Director of Student Associations, from PSEA headquarters in Harrisburg. Many good discussions came from this meeting including a simulation education game which acquainted students with the school board, administration, faculty and parent point of view.

Members: Mrs. Hopkins, K. Barber, B.K. Major, M. Bennett, C. Yachymiak, R. Kaminski, A. Hoholick, J. Konsur, S. Opeil, T. Ridgeway, K. Kozslowski, R. Marr, N. Baker, S. Sevmour, L. Puzak, D. Diehl, C.

Would you re-elect **this** man for President?

Come on, do we have to play that stupid game?

Pancakes and Sausages anyone?

New activities for the YEA included participation in the PTSA and the PSEA with whom Laurie Grant met to explain our cadet teaching program.

The big money-maker this year was the Pancake and Sausage Supper held in January. The YEA members made enough money for their spring convention.

Members attending the PYEA Spring Convention in Harrisburg with Mr. Pasko and Mr. Leonardo were Jack Fox, president of our Northeastern PYEA region, Janet Olsen, next year's region vice-president, and two members of Mt. View's Senate Forum.

With the end of the year activities such as participation in the Sophomore Class Spring Carnival, YEA tour guides helping the sixth grade visitation program and a teacher luncheon on the last day of school, the YEA completed their successful year.

Will the streaker from Blue Ridge please cool it!

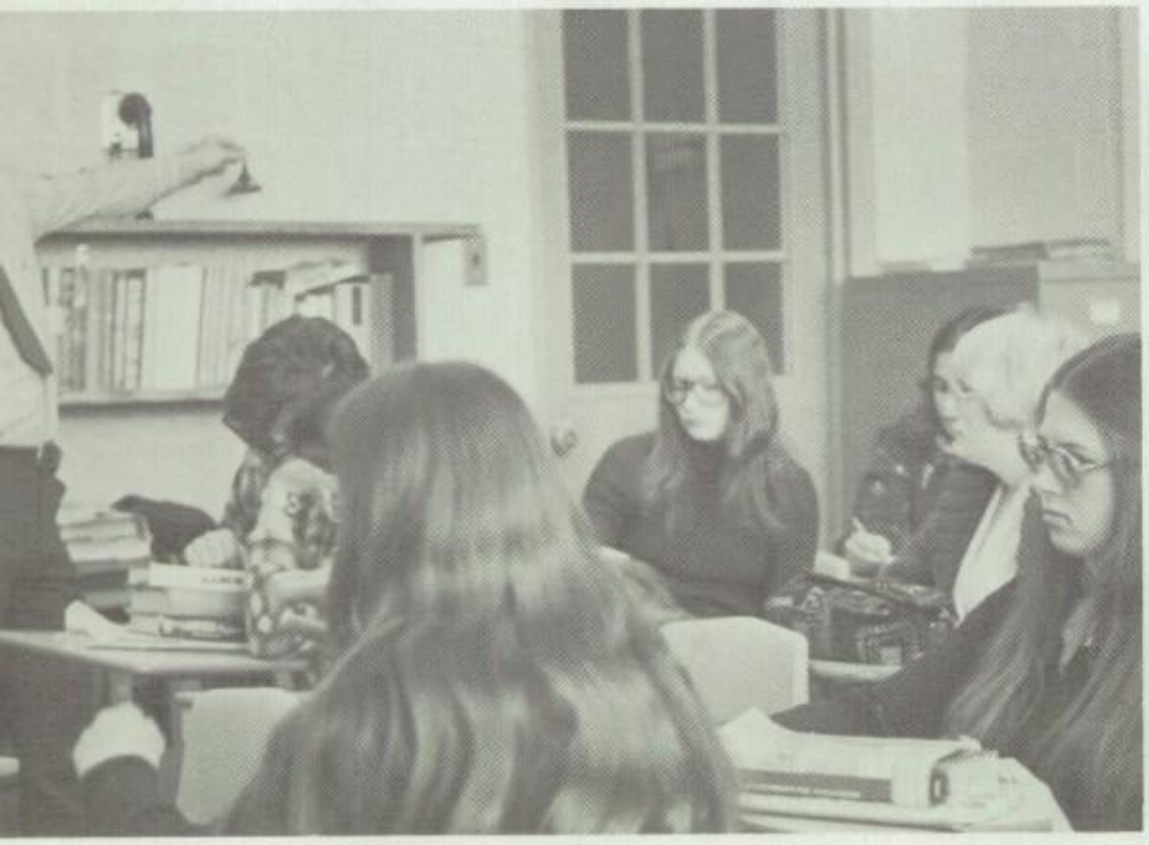
French Club

We're buddies!

Just soaking up culture.

Are you **really** listening to that?



It's time for my afternoon nap.

Come on, it wasn't that funny!

The purpose of the French Club s to instill an interest in French culture and civilization. The Club's first activity of the year was a trip with the YEA to observe the language department at Millersville College. Due to the energy crisis, fund raising projects were difficult to arrange. The Club Treasury was increased by several bake sales held at after school activities. At the Sophomore Carnival the French Club sponsored a bike rodeo and a French Pastry Shop. The money was used to finance the trip to New York City's Metropolitan Museum of Modern Art and Radio City Music Hall.

The Senate Forum began its first year as an organization with the election of 21 student and faculty representatives. The purpose of the organization is to give students a voice in school policies and promote better student-faculty relations. The first project the new caucus took on was the revision of the constitution. Topics discussed throughout the year included smoking, lavatories, the park, and a new mini-course program. A Senate committee spent a month of research and preparation for a new Shuttle Bus Program to be presented at a school board meeting. Also, a survey was taken to find out how many students would use the after-school buses in the fall.

Because of a lack of cooperation from Mother Nature, the Senate's Snow Festival was cancelled. Other activities that the Forum sponsored included an exchange program with the Blue Ridge Student Government, a "goop" booth at the Sophomore Spring Carnival and a movie called "Wait Until Dark."

PTSA

Active participants.

Seated at the head table of the successful Athletic Banquet.

The first Parent Teacher Student Association in Susquehanna County was established this year at Mountain View. The officers were Richard Zick, President; Lee Benedict, First Vice President; Phil Meyers, Second Vice President; and Jack Fox, Treasurer.

The PTSA programs were planned to interest students, teachers, and parents and to form better relationships among them. The first event was a tour of the school for newcomers. Held at one meeting was a School Board Panel Discussion at which School Board members answered many questions. The PTSA presented James Yeich who showed slides with music of Susquehanna County's scenic background. The unit also sponsored Open House and its biggest success, the Athletic Banquet.

The SAC sold tickets and refreshments at the Harlem Diplomat game and the rollerskating party. The student group was instrumental in the development of a new awards system which included T-shirts and jackets, as well as the traditional letter. The SAC also helped to revive the annual Athletic Banquet sponsored this year by the PTSA to honor all varsity athletes and their coaches.

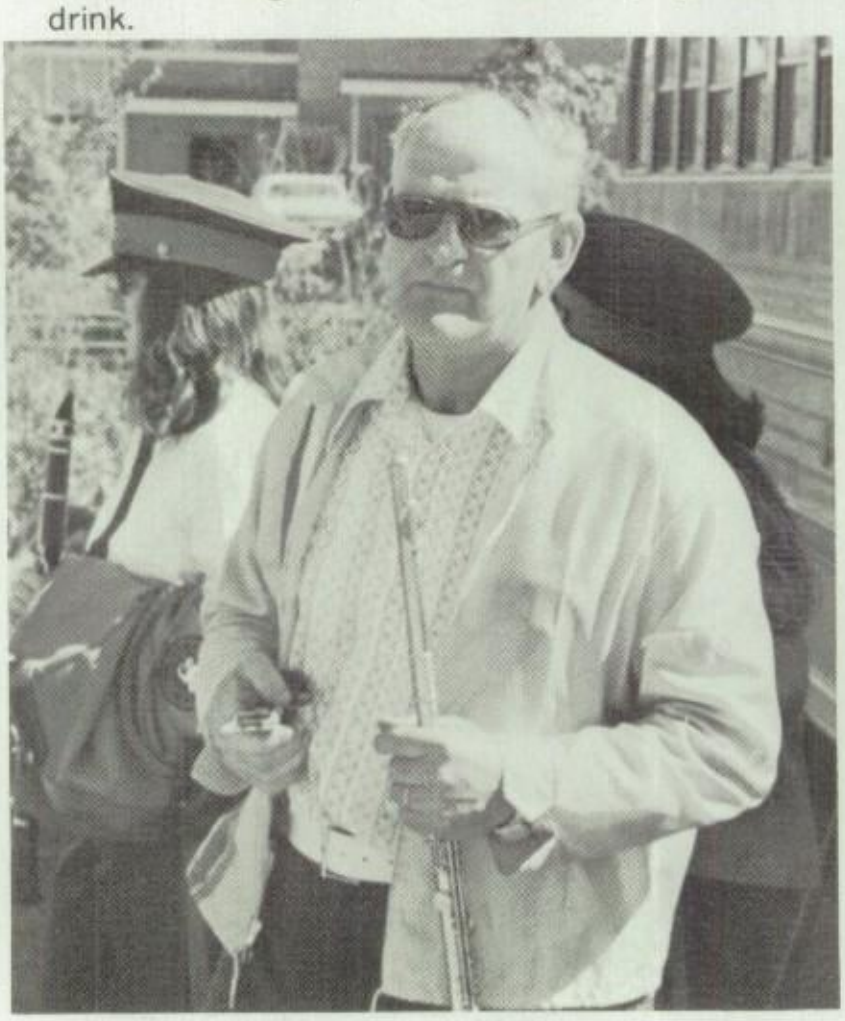
Marching

Man does not live by pizza alone.

There's nothing like peanut butter and jelly sandwiches with nothing to drink.

One of the few active marching bands in the area, the M.V.H.S. band participates yearly in a number of special events such as the Gettysburg College Band Day. Each year the band sponsors a spaghetti supper to help finance the trip to Gettysburg where M.V. joins other high school bands to make formations on the football field. Other annual events include the Montrose Memorial Day Parade, local carnival parades, and the Harford Fair. The Band has also participated in the Homecoming Parade at Keystone Junior College.



Would you buy a used flute from this man?

Would you believe this was supposed to be a heart formation?

Are we playing the right music?

Are you sure we're supposed to be here?

What do you mean that I have dandruff?

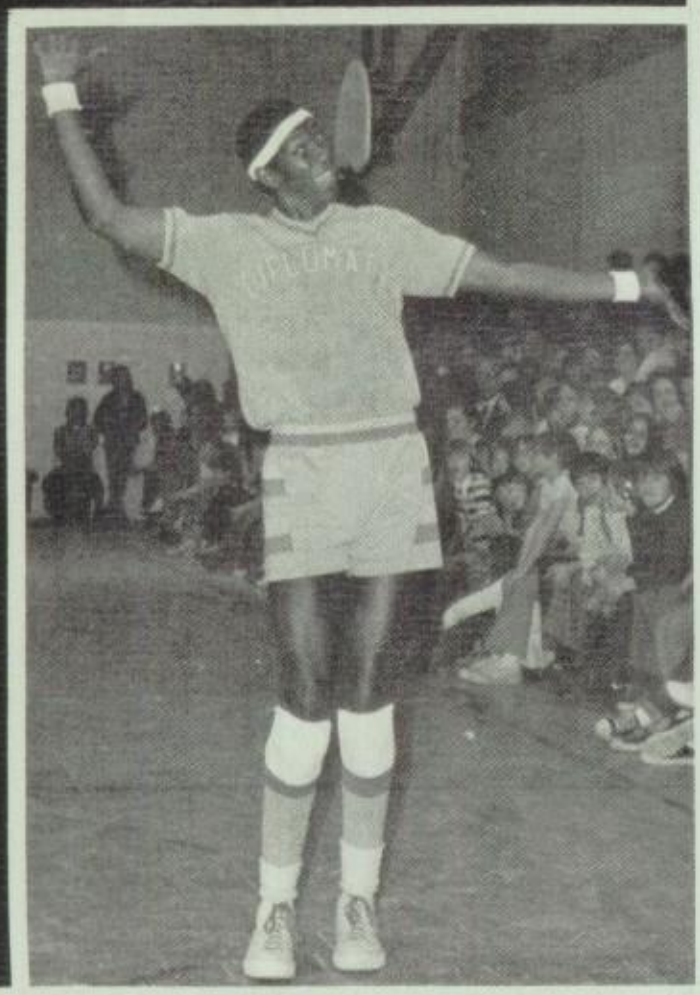
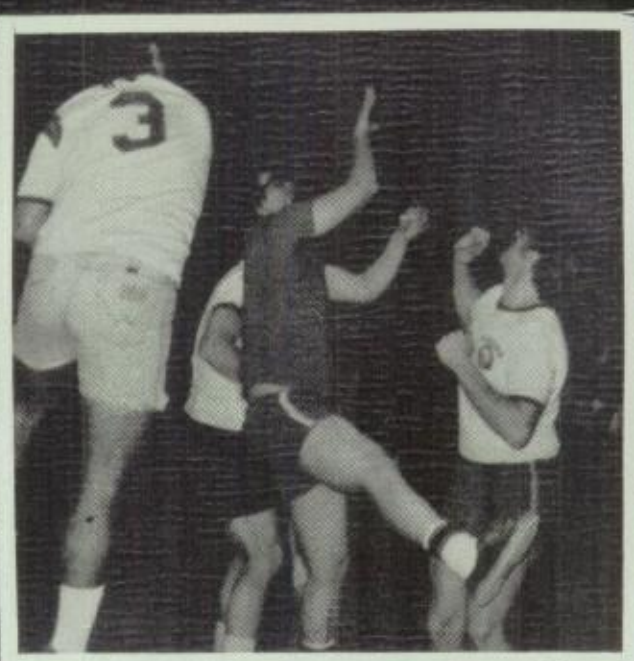
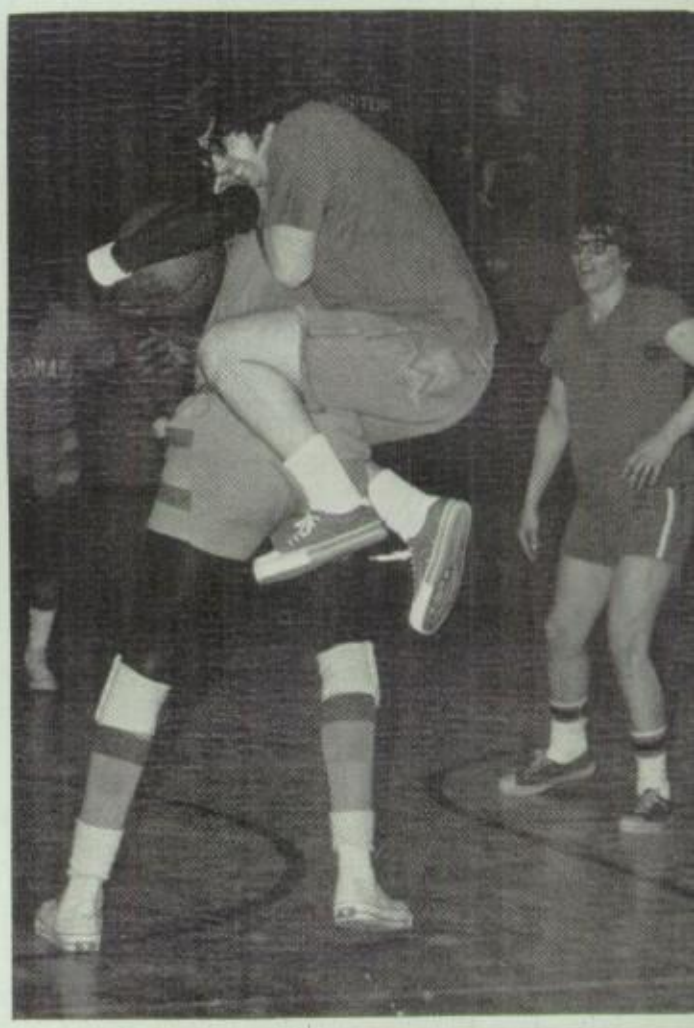
SPECIAL EVENTS







County Music Festival

What do you mean sit down? I'm conducting.

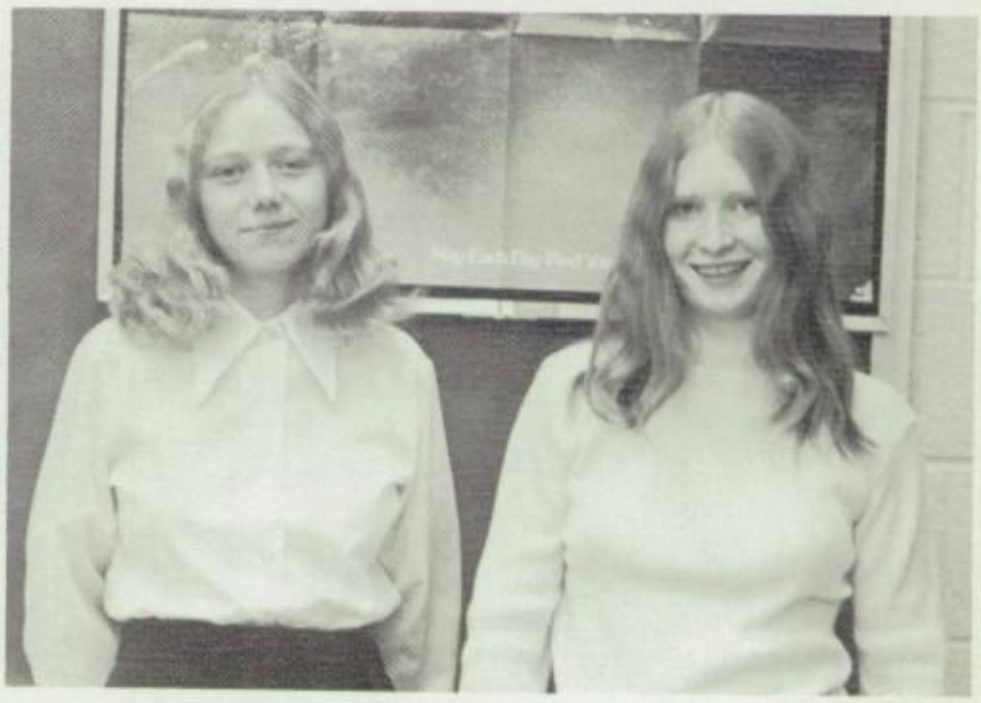
For a change the Susquehanna County Music Festival was held at our school. Participating were schools from Blue Ridge, Elk Lake, Forest City, Montrose, Susquehanna Community and Mountain View. Guest Conductors included Mrs. FeltonJones, Mr. Ross, Mr. Cooley, and Mr. Williams.

You mean to say that this is the next Philharmonic Orchestra?

Junior County Chorus hard at work.

Why do we always get stuck with the paperwork?

Maybe if we practice hard enough, Jude, we'll make it to the top.



No, we're not going to do a duet for you.

Open House

On April 29, 1974 at seven thirty, Open House for 1974 began. The various displays and activities included sports demonstrations, an Adult Art class in action, a Career and Guidance Visitation, Spanish and History Displays, a Consumer Education Display, handmade crafts, wood and metal exhibits, Chemistry and Physics demonstrations, a fashion show, the National Honor Society Induction, and an important P.T.S.A. meeting. Following an evening filled with fun and observation, the P.T.S.A. provided refreshments for everyone in the cafeteria.

Stop shaking!

Why won't this *?#@ Bunsen burner light?

My son made **that**?

I wish I could paint like that!

I hope my brain doesn't look like that!

Sophomore Carnival

No, **I'm** not the target!

Well, is that all I'm worth?

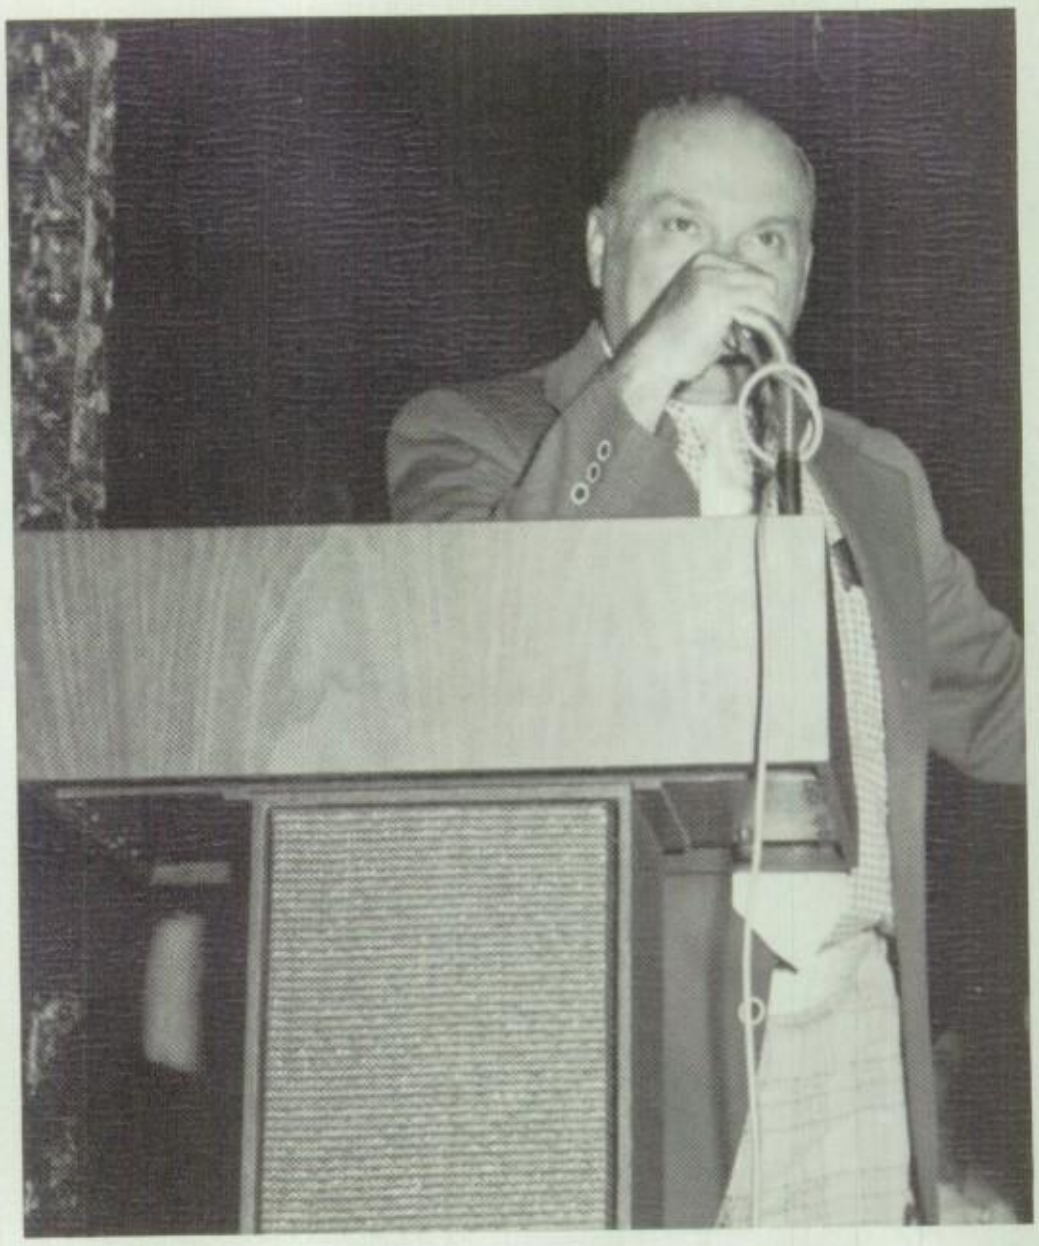
Is this an Italian Special?

Fun and excitement began at four o'clock on Saturday, May 11, 1974, as the Sophomore Carnival began. In the gym one could find games, booths of various clubs, a rent-a-slave service and just fun. Beginning at five o'clock, the sophomore class served a delicious chicken barbeque to many hungry people. At eight o'clock, the pie eating contest sponsored by the Science Club began. Sandy Opeil, the YEA representative, won the contest after a short trip to the lav. A good time was had by all who attended the carnival.

Just carrying out the remains of the pie contest.

I think we're going to miss!

May I Have Your Attention Please:



A vital part of the school curriculum is the intercom system. This system is not only very informative but is also amusing as you can see below:

As all may have noticed by now . . . we have no lights . . . stay tuned for further announcements.

We are having trouble with snow being tracked into the school; therefore we ask that there will be **no** snow-balling on the school grounds.

Mrs. Escandel announces the result of the head check is that—there is no problem! We were very happy with the general condition of the students' hair. However. the problem is still around us. We shall continue to check regularly as indicated in our recent letter home.

In the back parking lot is a small car, blue, with the radio on full blast, please go to it immediately.

I suggest that the Senior Play poster be removed, for it has a glaring error in grammar.

I've been informed that we are having trouble with our boilers; therefore we will be dismissing school at 12:00 . . . As you can see by the calendar, today is April Fool's Day and this is my final April Fool's joke of the day.

I think it goes without saying that students are not to eat outside the cafeteria.

That Is All, Thank You

Show Future Promise

Pass the third bale of hay . . .

Inexperience was the obstacle keeping the Eagle harriers from success. The varsity's best time was a 15:01 over the 2.5 mile course, recorded by junior Warren Munoz. Also showing improvement was sophomore Phil Lewis, who will return next year. Our best team effort came in a late season meet at Lackawanna Trail, with a score of 32-22 (low score winning). The outstanding members of the junior high squad were Norm Holzman, Dave Eucker, and Dave Larkin.

The winning form.

A test of concentration.

After a year's absence, our girls this year hosted the archery tri-meet which pitted Mountain View against Blue Ridge and Elk Lake. Our absence last year didn't hurt our accuracy, though, for we placed second in the meet and claimed three of the top four individual honors. High scorer in the meet was Jane Roba with 132 points, including one round of 52 out of a possible 54. Placing third in the individuals was Lu-Ann Oakley with 97 points, and fourth was Bev Marcy with 89 points.

The main problem of this year's team was a lack of consistency. Brief defensive lapses in several key games cost us decisive points, even though goalie Bud Ely gave his all. The team will lose seniors Garry Tiffany, Gerry Oakley, Ed Ofalt, and Ted Zablotsky, but the J.V.'s had many fine players who will be advancing next year.

nkhannock its biggest scare of the season. High
orer was Bonnie Griffiths, who was also named to
league's first All-Star squad. The rebounding duo
Bev Marcy and Deb Jenkins was one of the best in
league. Rounding out the starting five were Donna

Supersub, Mark Ridgeway.

Overtime at Susquehanna, a one-point thriller against Tunkhannock, league Class C laurels, and interdistrict competition at Norristown all helped to make this a miracle season for the underdog Eagles. Chosen to inhabit the league's cellar in pre-season predictions, the cagers were led by area scoring champion (25 ppg), Matt Supulski, whose individual honors included unanimous choice for league All-Star and the **Times** choice for Athlete of the Week. The team's playmaker was Bud Ely, closely assisted by an up-and-coming Brad Williams. Defensive standout was Gerry Oakley and Carl Breese was the team's center. The Eagles became the league "C" champs by defeating Susquehanna in a playoff 65-46.

The junior varsity players got a good taste of pressure basketball as they were in many tight situations and were called upon for clutch points. The team's best offensive effort was against Elk Lake. In a close contest at Lackawanna Trail, victory was captured with two free throws by Kevin Rhodes. Team scoring leaders were Mark Ridgeway, Kevin Rhodes, and Rich Jenkins. Controlling the boards were Dan Gardoski and Rich Jenkins.

The junior high girls team, coached by Melanie Ely, put a lot of effort into preparation for a one-day tournament against Elk Lake, Blue Ridge, and Susquehanna, and a head start for a place on next year's varsity.

New stunts on still rings included one-leg cut-offs by Joe Venne and support cross by Barb Salansky and Donna Myers. Front flips were performed by Nancy Wright, Kathy Zick, Donna Myers, and Barb Salansky, who also did a flip over the side horse. On the trampoline, Mary Gowen performed a forward one-and-a-half flip. Warm-up and dual routines were performed in strobe lights, creating a unique visual effect. The program concluded with a dance routine performed by the team and Coach Ted Calabro, after which each member chose a partner from the stands and the dance was repeated.

Though the record doesn't look impressive, the squad gave opposing schools all they could handle with the setting ability of Cathy Ofalt and Jane Kolodinsky, the spiking talents of Bonnie Griffiths and Laurie Grant, and the constant hustle of Bev Marcy and Brenda Rood. The season's highlight was in the third and deciding game of the Elk Lake match. Mt. View was behind 3-12 when Bev Marcy served 12 consecutive points to seal the victory.

Suburban League volleyball, dominated for years by Tunkhannock, saw the arrival of Eagle Power in 1974. The Tiger defense gave up more points to the Mt. View squad than to any other league team. The Eagle spikers posted an 8-3 record with two shutouts against Elk Lake and Montrose and the championship of the first Mountain View Easter Tournament. In the Elk Lake victory, Steve Brainard served all 15 points in his only varsity start. Power was provided by spikers Matt Supulski, Gerry Oakley, and Bob Cross. Setting up the offense were Mark Ridgeway, Kevin Rhodes, and Ted Zablotsky. At the double-elimination district playoffs, the Eagles defeated Honesdale to repeat as the third place team in District 12.

Among the outstanding Eagle teams was the junior varsity squad which posted a perfect record of 6-0 in league action. Key serves by senior Steve Brainard and spikes by Ken Palmer, Jeff Klenk, Larry Zick, and Rich Jenkins consistently anticipated opponents' defenses and scored decisive points. Setters of note were Mark Hudson, Tom Koes, and Mark Benedict. With a promising team such as this, Coach John Crounse should have a winning varsity again next year.

Batsmen Have Tough Year

Fourth place finishes were recorded by Kim Pratt in the 220 and the 880 relay team of Lowry, Sanders, Peruzzi, and Pratt. Rounding out the scoring were fifth place finishers Bev Marcy in the high jump and Laurie Grant in the standing long jump. ONCE

Class Prophecy

It is the year 1985. **Ken Edwards** has just started publishing the daily paper **The Gruesome Gazette.** Gathering the local tidbits are reporters **Laurie Carpenter, Patty Cole,** and **Elaine Mazurkiwicz.** In covering the international scene, reporters **Josey Diaz, Debbie Dombloski,** and **Ed Ofalt** have made names for themselves. The evening edition has just hit the streets . . .

President **John Hoholick** and his First Lady (the former **Delores Scott**) have just moved into the White House. New names in government are **Gerry Oakley,** Head of the President's Council on Physical Fitness, and **Jim O'Brien,** FBI Chief. The senate sub-committee investigating embezzlement in high places is headed by Senator **Nanette Bloxham,** who is her own first witness. **Gale Barnard** is moving along nicely in her project to bring cultural activities to Appalachia. Decorating the President's private office are staff members **Kim Williams, Vicky Vandonis,** and **Karen Estabrook.** Prepared to give their lives for their President are Secret Servicemen **David Corrigan, Mary Lynn Demianovich, LuAnn Oakley,** and **Kurt Sisco.**

President Ho (as he is fondly called in China) has been having difficulty in foreign affairs. International incidents have been caused by CIA agents **Debbie White** and **Sandy Williams** who were caught bugging the throne room in Thailand, **Bonnie Resseguie** and **Karen Molenko** who fell through the skylight in the Forbidden City in Peking, and **Joe Venne** whose suicide cyanide pill accidentally fell into the soup tureen in the French Embassy.

Secretary of State, **Carol Pashchuk,** has just returned from her talks in Poland about the joint U.S.-Poland space flight to Pluto. The Polish astronauts are **Debbie Kolodinsky, Matt Supulski,**and **Ted Zablotsky,** having resumed their Polish citizenship. The Americans are **Gary Rice, Virginia Sullivan,** and **Clifford Crone.** The rocket fuel is a new formula made out of soy beans which was discovered by the famous agronomist **Cheryl Squier.**

Secretary of the Navy **Al Robinson** tells us there is a naval war going on, but assures us there is nothing to worry about since Admirals **Bob Clinton** and **Alan Gelatt** are in command. If they fail, however, our army is ready, led by Generals **Laura** and **Lauretta Maginley.** If all seems lost, though, SAC Commander **Tim Krizauskas** will wipe out everybody.

The Weekly Report on the lunar colony, Cross'es Crater Corners, is narrated by King **Robert Cross** and his Queen **Dorothy Franko.** King Cross has admitted new colonists **Laurie Grant** to work in the mines and **Jane Knowlton** to grow tomatoes. Original settlers **Sandy Johnson** and **Debbie Hunter** welcomed their old friends to their new lives.

Carol Morrison, M.D., and her private nurse, **Mary Pedley,** have just started practicing (and we mean practicing) in the little town of Foxville, renamed for **Jack Fox,** after he liberated the population from all forms of oppression. Some of the prominent citizens in the town include the big spender **Garry Tiffany** and his body guards **Nancy** and **Patty Wright.** The town gossip is **Laurie Nulton.** Her grapevine of druggist **Glenda Oakley,** grocery clerk **Dorothea Wheeler,** the butcher and his wife **(David Taylor** and **Debbie Ulco),** and the old nosey telephone operator **Sherry Bierly** keep things moving along. **Julie Adams** and **Sally Beeman** have recently opened the Streakers Boutique; **Caroline Pulice,** the District Attorney, is investigating. As you may have guessed, **Debbie Thomas** is in the business of breeding St. Bernards.

On television tonight there is a new talk show staring **Rory Maginley.** If he stops talking long enough to introduce them, his guests include such people as the famous Turnovers, with **Joanne Decker** on the harpsichord, **Debbie Van Luvanne** belting bassoon, and **Karen Kester** on the jew's harp, who will be accompanied by their agent swinging **Steve Brainard.** Other guests include **Kathy High,** the Love-Lorn consultant, who will discuss some of the public relations, such as **John Davis** and **Bonnie Griffiths, Jeff Davis** and **Judy Zimmerman,** and **Kim Pratt** and **Mark Lewis. Joe Rodgers,** the famous astrologer, will discuss the stars and their effects on the following people: forest ranger **Joann Rudick,** slumlord **Donald White,** bricklayer **Donna Schuler,** manager of the San Diego Padres **Wendy Jeremiah,** and Academy Award nominee **Liz Rosencrants.** Special guests will be lady wrestler **Mildred Beeman** and her coach **Ralph Estabrook.**

The town of Foxville is very proud of its Philharmonic Orchestra, which has just admitted after five auditions new members **Paula Carpenetti, Kathy Zick,** and **Susan Seymore** on clarinet, **Lolly Puzak** on French horn, and **Bev Marcy** on the flute. They also have a new conductor, **Larry Mackey,** with his buddy **Glynn Lewis,** who carries the baton. Two of the Foxville's famous opera singers touring the globe are **Diamond Lewis** and **Becky Sloat.** While giving a concert in the small town of Foxville, they shattered the world when they hit a high "C" in unison.

LAST WILL AND TESTAMENT

I, **Julie Adams,** will everyone as much fun in their Sr. year as I had . . . I, **Vicky Bandonis,** will Mr. Petracca a student like me next year so he can always have memories . . . I, **Sally Beeman,** will Mr. Leonardo to the Washington Park Zoo for their anteater collection . . . I, **Sherry Bierly,** will my driving abilities and experience to Gale Garrett . . . I, **Nanette Bloxham,** will my hope to Deb . . . I, **Steve Brainard,** will my body to the girls of the Jr. Class, on the condition that their inheritance be collected immediately . . . I, **Paula Carpenetti,** will my ability to get into accidents to all the "dearhearts" of the world . . . So live that when thy summons comes to join
The innumerable caravan, which moves
To that mysterious realm, where each shall take
His chamber in the silent halls of death,
Thou go not, like the quarry-slave at night,
Scourged to his dungeon, but, sustained and soothed
By an unfaltering trust, approach thy grave,
Like one who wraps the drapery of his couch
About him, and lies down to pleasant dreams.

1974

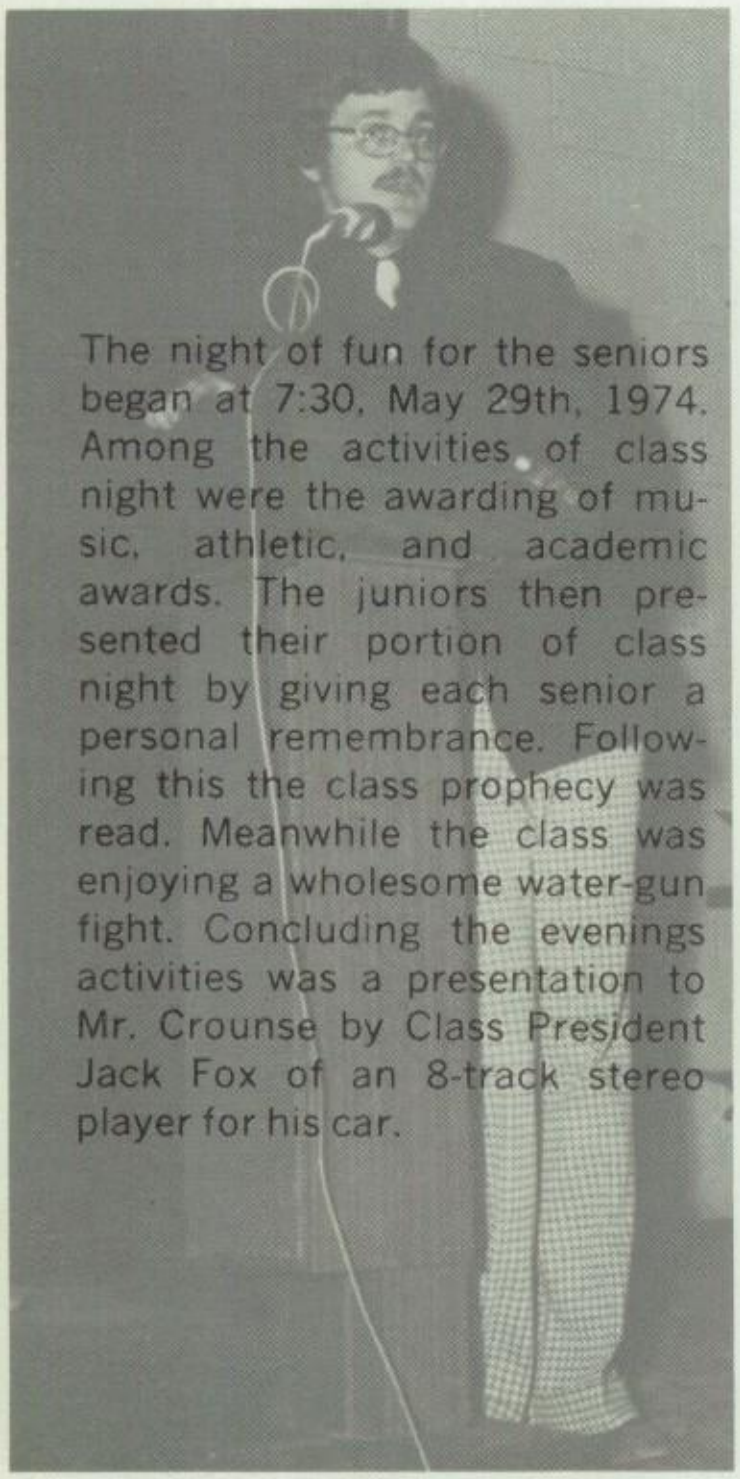
The senior Washington trip began Wednesday, April 24, 1974 at a lonely six o'clock. Along the way to Washington, D.C. the two chartered buses stopped at Harrisburg and Gettysburg to tour various historical sights.

Upon arriving in Washington, the group visited the Tomb of the Unknown Soldier and Kennedy's gravesite. Before returning to their motel, the tired group toured the Jefferson Memorial, the Lincoln Memorial, the National Archives building, and the National Historical Wax Museum. The following two days of the trip that the group spent in Washington were filled with a visit to Mount Vernon, the Bureau of Printing and Engraving, the Capitol, the White House, the F.B.I. Building, the Smithsonian Institute, the National Shrine of the Immaculate Conception, the Washington Cathedral, and either to a movie or to a play at the Ford's Theater.

Saturday was spent traveling home with a stop over in the Pennsylvania Dutch country for a tour. Following the tour, the group was served a delicious dinner at a nearby restaurant.

Although the group returned home tired, everyone agreed that the trip proved to be a learning experience.

The Seniors' Night



The night of fun for the seniors began at 7:30, May 29th, 1974. Among the activities of class night were the awarding of music, athletic, and academic awards. The juniors then presented their portion of class night by giving each senior a personal remembrance. Following this the class prophecy was read. Meanwhile the class was enjoying a wholesome water-gun fight. Concluding the evenings activities was a presentation to Mr. Crounse by Class President Jack Fox of an 8-track stereo player for his car.

Custodial And Cafeteria Staffs

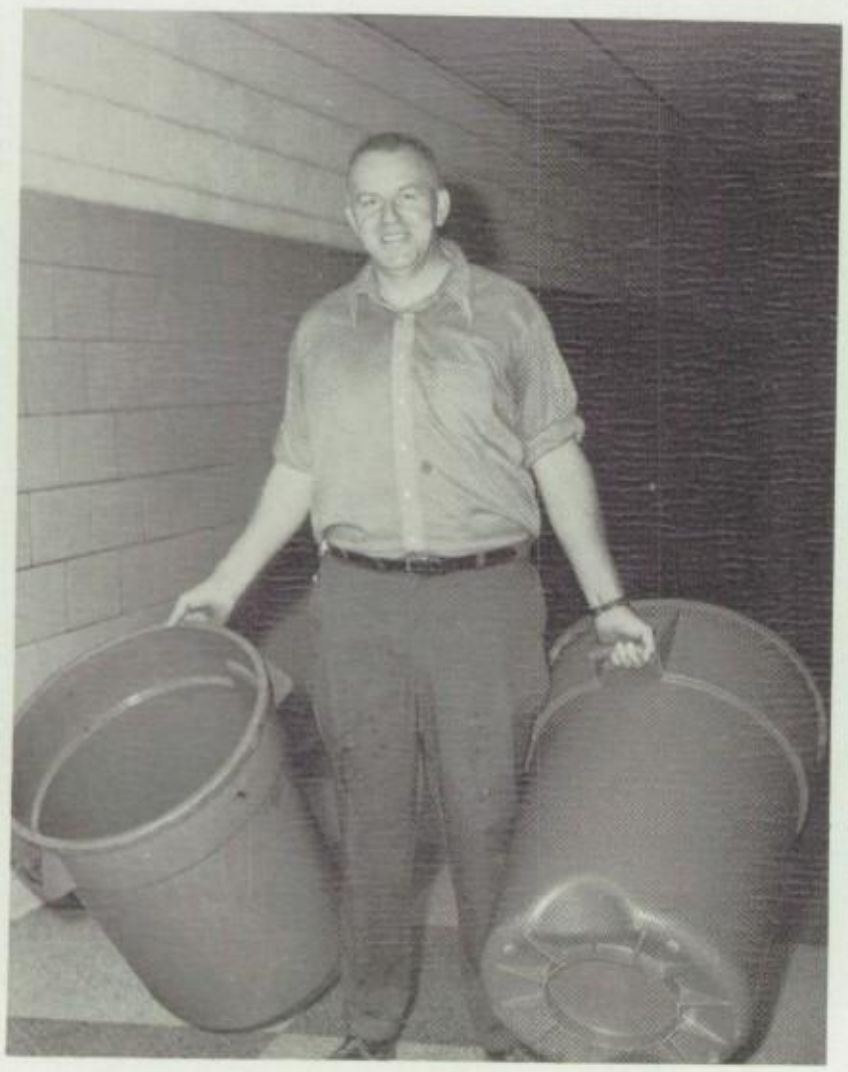
Betty Tingley, Vivian Rutherford, Shelia Goff, Grace Griffen, Agnes Burdick, Winnie Sodden, Mary Wagner, Irene MacDonald.

Where is Josephine when you need her?

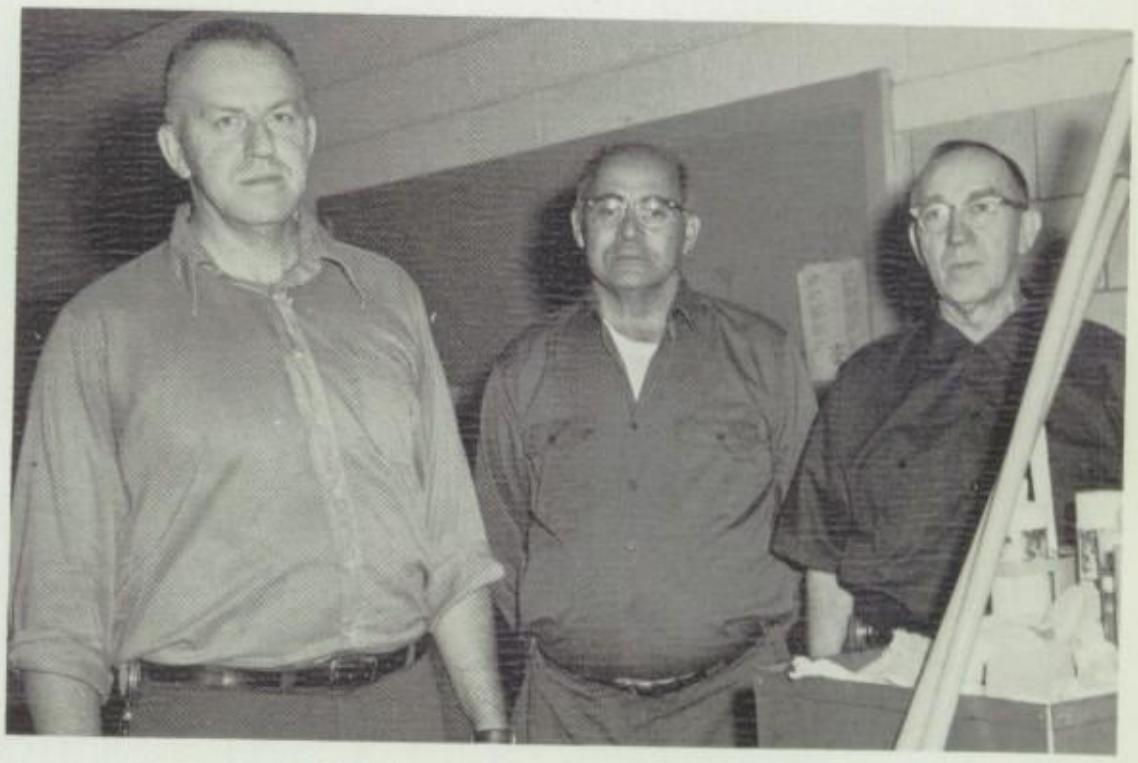
The Mountain View cafeteria staff is deserving of much praise. Our lunches are cheap and delicious. What more can we ask?

Who said that we ran out of hotdogs?

I've had more fun.



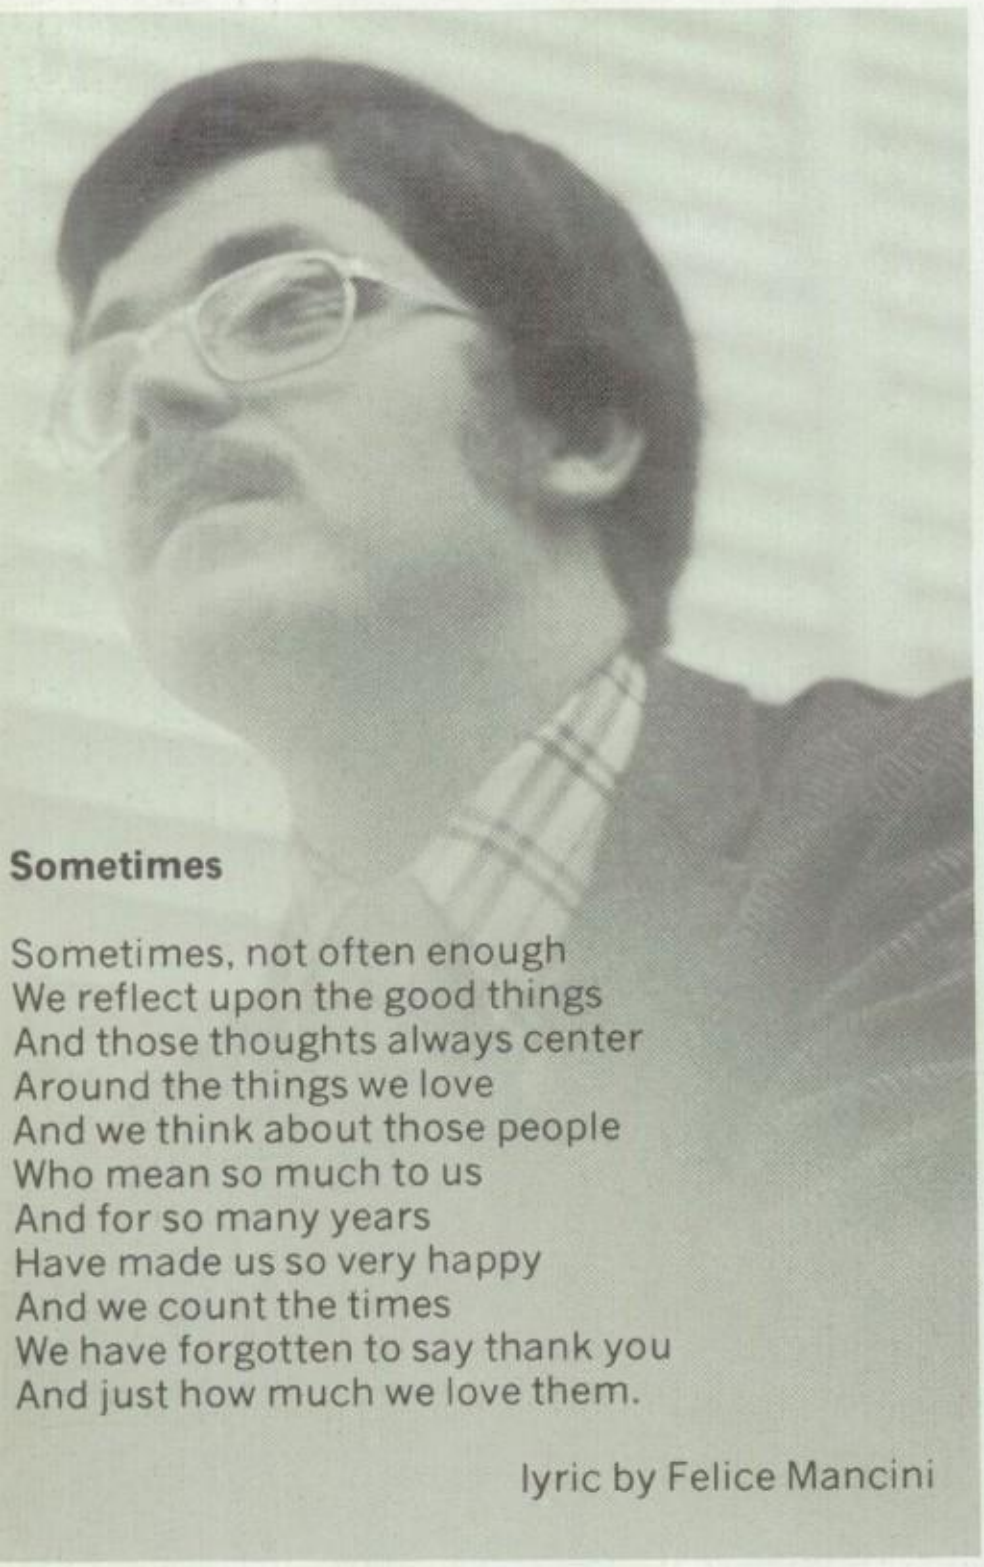
Why is this man smiling?



Mr. Bishop, Mr. Kinney, Mr. Bishop.

Our custodians have done a marvelous job of maintaining the school and making it as comfortable as possible. We acknowledge their fine work, especially during the energy crisis.

To Mr. Crounse



Sometimes

Sometimes, not often enough
We reflect upon the good things
And those thoughts always center
Around the things we love
And we think about those people
Who mean so much to us
And for so many years
Have made us so very happy
And we count the times
We have forgotten to say thank you
And just how much we love them.

While everyone at Mountain View is busy with homework, practices and activities, the world goes about its business of making history. Perhaps as you look at these headlines, you can see yourself in relation to what happened in the world during 1973 and 1974.

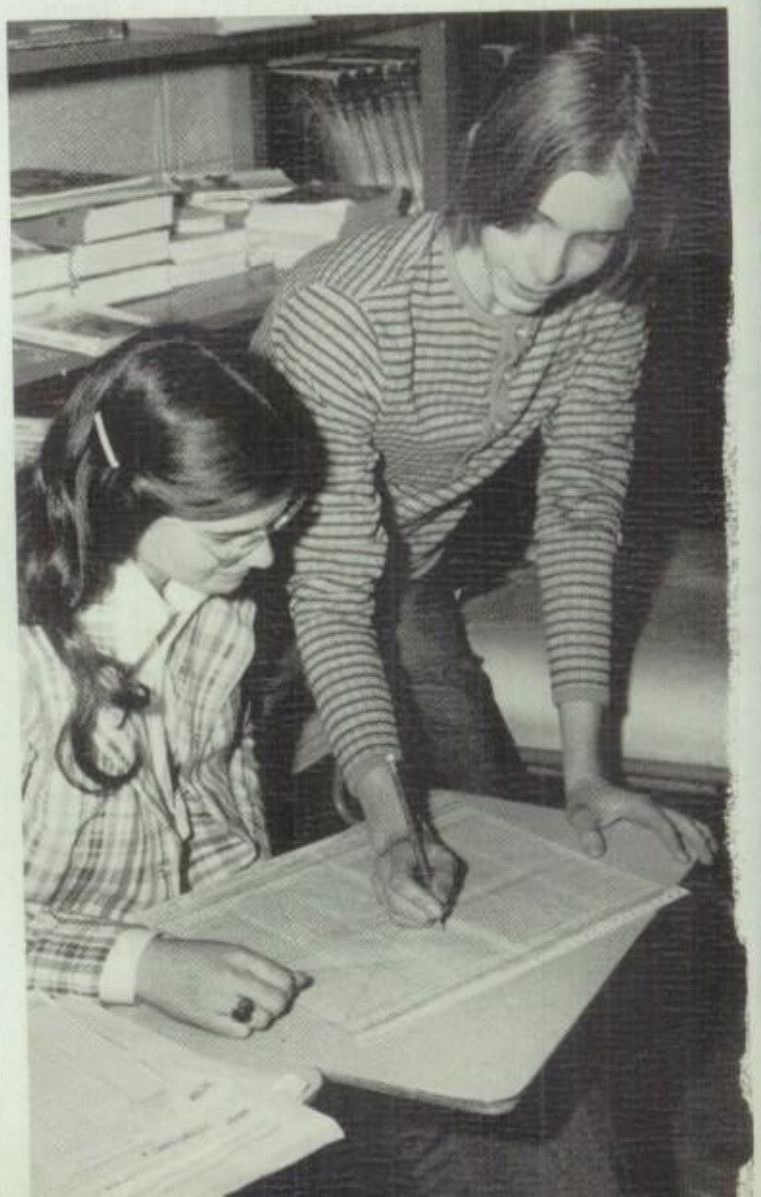
Eagle 1974

The 1974 Eagle began as a challenge for the Eagle Editors. The endless work soon became evident with layouts to draw, copy to write, and DEADLINES to meet. You now see the results of the efforts of Chief Editor Kathy Zick and Advisor Mary Ketterer in coordinating the staff of a new kind of yearbook. We would like to thank local businessmen and the members of the senior class who contributed to the advertising campaign which paid for a large part of the publishing cost. Members of the Eagle staff were: Chief Editor—Kathy Zick, Layout Editor—Carol Morrison, Sports Editor—Beverly Marcy, Business Manager—Paula Carpenetti, Senior Editor—Carol Pashchuk, Art Editor—Ken Edwards, Club Editor—Debbie Kolodinsky, Photographers—John Hoholick, Paula Carpenetti, Music Editor—Cheryl Squier, Clerical Staff—Cheryl Squier, Kim Williams, Advisor—Mrs. Mary Ketterer.

According to this we put the bowling copy under Mr. Klenk's picture.

But I still don't have enough pictures!

This is not a gameroom!


I know that picture was here somewhere.
